Home Based Habilitation

Home based habilitation services are individualized services and supports that assist with the acquisition, retention or improvement of skills related to living in the community.

ITPS
Lutheran Services in Iowa

Remedial

Remedial services are provided to children and their families to restore the child's mental health function to the level of other children of that age and ability. Services are designed to restore mental health functioning that the child lost or never achieved because of interference in the normal maturational and learning process due to individual or parental dysfunction.

In-Home Family Therapy (waiver)

In-Home Family Therapy is a support that is provided to the individual and their family that will increase their ability to cope with the effects of serious emotional disturbance on the family unit and the familiar relationship. The support will enable the individual to continue living within the family environment.
